MEMORANDUM FOR: Chief, Liaison Division  
Office of Central Reference

SUBJECT: Request for Air Information

Please obtain either from Washington or by levying a collection requirement, information on air routes and information on air navigational aids within the Soviet Orbit. This information might be obtained from certain civil air line companies of Finland since reciprocal flight treaties exist between Russia and Finland.

A similar request has been laid on the Air Force to obtain data from their station at Weisbaden, Germany so you can ignore the Air Force.
